

Finance Committee Report
39th NAAIC Meeting

Activities of the Finance Committee were limited to the solicitation for contributions to the sustaining membership fund, and administration of the Graduate Student Travel awards. Nine organizations contributed to the sustaining membership fund with a donation of \$300 each. All were recognized at the awards luncheon with a certificate. Sustaining member funds are used to fund travel awards for graduate students, and for travel of honorary members. These funds can also be used at the discretion of the NAAIC executive committee. There were two graduate student travel awards granted at \$300 each.

Sustaining Members of the 39th NAAIC
